Dear Professor,

I am writing to kindly request your permission to submit my assignment a few days after the deadline. Due to some unforeseen circumstances, I was unable to complete the assignment and submit it within the given time.

I sincerely apologize for missing the deadline. I understand the importance of completing assignments on time and the need to follow the academic schedule. I regret the delay and assure you that it was not intentional.

I kindly request you to grant me a few additional days to complete and submit the assignment. I will use this extra time responsibly to finish the work properly and ensure that it meets the required guidelines.

I assure you that I will submit the completed assignment within the extended deadline and will make every effort to avoid such delays in the future. I would be very grateful for your understanding and consideration of my request.

Thank you for your valuable time and support.

Yours sincerely,
Nandigam Joshi
